Upon presentation of a petitionary letter the Tutwiler Baptist Church was received unanimously into the fellowship of the association and the Moderator extended the hand of fellowship to the messengers—Rev. and Mrs. J.A.Lee.

Upon a motion the association adjourned for dinner, until 1: P. M.

AFTERNOON SESSION

The Association was called to order promptly by the Moderator and after singing "At the Cross", and prayer, Dr. B. G. Lowrey, by common consent, was given 30 minutes in which to present the cause of endowing our colleges for women. He spoke primarily in the interest of Blue Mountain College.

The report on Mission was then read by J. R. G. Hewlett and discussed by J. E. Byrd, J. W. Henson, J. A. Lee, and S. H. Shepherd. The report was unanimously adopted.

REPORT ON MISSION FOR THE YEAR 1925

Your Committee on Missions begs to make the following report.

1 State Missions.

The State Convention Board made the following appropriations:

W. M. U. Work	$7,500.00
B. Y. P. U. Work	6,000.00
Sunday School Work	16,600.00
Negro Corresponding Secretary	360.00
Work among the Creoles	400.00
Religious Work at the M. S. C. W.	2,400.00
Evangelistic and Stewardship Work	10,500.00
Pastoral Support	20,000.00
Church Building purposes	23,000.00
Provided Collections justify this much, otherwise the sum of	15,000.00
Work among the Indians	400.00

We have the following workers in the field:

Department of Sunday School—J. E. Byrd, E. C. Williams, Wyatt Hunter, Howard Spell and Miss Minnie Brown.

Department of B. Y. P. U.—Auber J. Wilds and Miss Sallie Paine Morgan.

Department of W. M. U.—Miss M. M. Lackey, Miss Fannie Traylor, Mrs. A. J. Aven and Miss Mamie Slaughter.

Department of Evangelism—Rev. W. W. Kyser and Mr. W. E. Perry.

Circulating and Advertising the Baptist Record—Rev. E. E. Ballard.

Department of Stewardship and Budget—Rev. J. S. Deaton.

The State Convention Board is helping to pay the salaries of 62 pastors thereby helping 118 churches.

The following work was discontinued the first of this year:

The Goodwill Center, Meridian; Evangelistic Conference at Clinton; Expenses of pastors to Baptist Bible Institute; Salary of Bible Teacher in Jackson College and Natchez College; and the work of enlistment, thereby cutting appropriations $50,000.00.

The number of destitute fields are constantly increasing in Mississippi. This is due to the lack of State Mission Funds with which to carry on this much needed work.

In the face of this fact your committee would urge the Association to prayerfully consider the suggested apportionment for 1926. The goal for our task for the year 1926, in Mississippi is $800,000.00.

Lets pray and work to raise this amount and carry forward the work of our Master.

Woman's Mission Union:

The W. M. U. of Mississippi is endeavouring to go forward under the watch-word of the year, which is "Go ye into all the World; and ye shall be my witnesses."

The method for accomplishing this task is threefold: First—The Unified Program. Every organization is urged to stand true to the Unified Program.

Second—The Tithe as minimum offering for every member.

tThird—Organize Societies in all of our rural churches if possible. The Sunday School Board has offered $600.00 for this work provided the State will raise $600.00 for the same purpose.

The W. M. U. asks the prayerful aid of the Associations in carying out these aims. The W. M. U. has adopted the policy of making the year coincide with the calender year.

B. Y. P. U. Work.

Ten years ago we had only 5,490 B. Y. P. Us, with a membership of 22,470 in the territory of the Southern Baptist Convention. Today we report, in the same territory, 17,739 B. Y. P. Us, with an enrollment of 552,504.

During the year 1924 94,500 awards were given for study in the doctrines, life and methods of our denomination.

The aim of the B. Y. P. U. is to train the young Christian for active service in the Kingdom of the Lord Jesus Christ.

For the purpose of reaching all who are willing to be trained we have four departments; Junior, Intermediate; Senior and Adult. Each department is complete, with its own organization, officers and program. We recommend that every church in the association be urged to take up the work of training in a definite and efficient manner.

Sunday School Department

The Sunday School Department of the Convention Board is charged with the duty of organizing, grading and developing the Sunday Schools in the individual churches.

In this connection teacher training has helped to solve a great problem. Every church should have an efficient class in teacher training each year.

The State Mission Board and the Sunday School Board co-operate each year in a great rural campaign for the purpose of training leaders in the churches. In addition to this special rural campaign work in the summer, we have two full time rural workers.

During the year 1924 nearly 5000 awards were given in our state to people who took one or more books in our training course. Our people are urged to attend the Sunday School and B. Y. P. U. Convention to be held with the First Baptist Church in McComb City during the month of March.

Home Missions.

The Home Mission Board in its eightieth annual report, to the S. B. C. last May in Memphis, Tenn., presented the significant comparison of its work as follows:

Years	Money Raised	Missionaries	Stations	Baptisms	Organized Churches
1845-1903	$3,520,000.00	10,586	39,973	82,742	3,649
1903-1924	13,731,965.99	27,468	72,829	642,492	4,524.

Because of a very burdensome debt the Home Board has been forced from year to year, to make very painful retrenchments in its work when every demand calls for enlargment.

In the face of these retrenchments the Board presented a most wonderful year's work which is as follows: With 1,077 missionaries they report 49,218 churches and stations occupied; 2,381 sermons and addresses; 30,027 baptisms; 4896 by letter; making a total of 50,354 additions; 210 churches constituted 255 church houses built or improved; 608 Sunday Schools organized; 12,995 Bibles and Testaments distributed.

Your committee recommends that we remember the Board, in all of its work, in our prayers and meet its needs in every department of work, with greater liberality in our gifts.

Foreign Missions.

God has richly blessed our work abroad. Last year was a year of triumph. Our missionaries baptized 12,134 converts on the Foreign Mission Fields which should make our hearts leap with joy. Where the evangelistic spirit prevails new churches spring up. Eighteen churches were organized North of the State of Bahia in Brazil during the year. Old churches, likewise have been developed in every line of activitity. They have made marvelous strides in Sunday School work and many have built or bought houses of worship. One church in Bahia built a new house, out grew it and enlarged it in one year. The Home Mission Board of the Baptist Convention of Chile has three missionaries who are doing a great work in regions beyond.

Our China Baptist Publication Society is one phase of our Foreign Mis-

sion enterprise which fosters every department of our work. The Society is publishing tracts for general distribution; books for training courses, theological text books, complete Bibles, new Testaments and Scripture portions for easy use in S. S. and B. Y. P. U. Work. During the year the Society has sent out of the above publications 1,791,236 copies with a total of 37,693,155 pages.

1924 marks the best year for Italian Missions since the World War. There were 214 baptisms with a large number of inquirers for 1925. This was twice the average increase of Virginia or Georgia. It is a 64 per cent increase over 1923 bringing the total church membership to 2,210.

Willingham Memorial School, for boys, at Fukuoka Japan was established April 11, 1916 with 105 students and has grown until we have three departments, Middle School College and Theological Seminary with a student body of 635 with more than 50 teachers. The religious life of this school finds expression in the Gethsemane Band, two B. Y. P. Us. Special Bible Classes, street preaching, mission Sunday Schools and special work among the social outasts. Good meetings were held from time to time during the session resulting in the baptism of 16 students. The work in Jerusalem, while it meets stubborn opposition, is very encouraging as many of the younger Jews believe Christ to be the Messiah, but detered from public profession on account persecution. In all of our Foreign Fields combined we now have for educational purposes 39 kindergardens with 1,283 pupils; 650 Lower Elementary Schools with 13,749 male and 6,246 female pupils; 76 Higher Elementary Schools with 3,031 male and 1,305 female pupils. 41 Middle Schools with 3,179 male and 1,385 female pupils; 5 Colleges with 918 male and 62 female pupils; 11 Normal Training Schools with 87 male and 196 female students; 6 Women's Training Schools with 264 students 18 Theological Schools with 411 students. Total number of schools 846 with a total of 32,124 students.

We also have 16 hospitals with 640 beds. Last year there were 5,558 inpatients with 976 major operations; 20 dispensaries with 59,410 out patients making the total number of patients 83,861.

In 15 Foreign Countries we have a total of 1101 churches, 291 self-supporting and 2899 Out Stations. Increase for the year 12,134 baptisms, 3,429 by letter and 950 by restoration. Total membership 117,923. Houses of worship owned by native 722; Number of Sunday Schools 1,573 with 84511 pupils; Women's Societies 461 with 7906 members, 510 young peoples societies with 7,892 members; Native contributions for the work of the Kingdom $391,841; Ordained Natives 577; Unordained Native Workers 1,609 males, 257 females.

Brethren lets do our part in paying off the debt of the Board and move forward for a greater work in the future.

Respectfully Submitted,
J. R. G. HEWLETT, Chairman Committee.

The Association then adjourned to meet Friday October 2nd at 9:30 A. M.

FRIDAY OCTOBER 2nd. MORNING SESSION

Association called to order by the Moderator. Song "Higher Ground" was sung and prayer by R. G. McCorkle. Scripture reading by the Moderator—The Great Commission.

Upon motion the Moderator was requested to appoint the following committees: Nominations—J. R. G. Hewlett, W. H. Hudson, C. C. Gunter.

Resolutions—J. A. Lee, S. H. Shepherd, H. E. Howell.

Report on Education was read by Rev. J. A. Lee and discussed by J. A. Lee, R. A. Kimbrough, J. R. G. Hewlett, J. W. Henson. The report was adopted unanimously.

REPORT ON EDUCATION
MISSISSIPPI COLLEGE

Mississippi College is located at Clinton, Miss. and is owned and controlled

by the Baptists of Mississippi. The enrollment last year reached 479 and with the summer term it reached 677.

The campus includes fifty acres with ample athletic field and a large artificial lake. There are four buildings; Chapel, Science Hall, Ratcliff Hall, Jennings Hall and the Library Building.

The Alumni and Former Students Association are errecting a three story Gymnasium building to cost about one hundred thousand dollars, and is almost ready for use at this time.

There are twenty one members in the faculty and the College holds membership in the Southern Association of Colleges and Secondary Schools.

The graduating class of 1925 was a record breaker; there were 85 who graduated in this class and the religious atmosphere is H-1.

CLARK COLLEGE

This school is located in Newton, Miss., on the A. & V. R. R. between Jackson and Meridian, is under the control of the Baptists of Miss. and is a Co-Educational Junior College.

The religious atmosphere of this school is fine as may be seen from the following. The B. Y. P. U. has been awarded the College B. Y. P. U. banner for the past two years and it was awarded for having made the highest general of any college B. Y. P. U.

The campus of this college contains over one hundred acres and there has just been finished an Administration building at a cost of fifty thousand dollars. The graduating closs of the past session reached the forty mark, being the largest class in the history of the college.

Clark Memorial is now a standard Junior College and students graduating can enter the Junior class of any standard senior college.

Athletics are also looked after in this school and they are making progress in this line.

BLUE MOUNTAIN COLLEGE

Blue Mountain College is now under the management of the Baptist of the State as it is owned and controled by them. It hopes soon to have sufficient endowment to become a member of the Southern Association of Colleges and Secondary Schools.

The Baptist Educational Commission has agreed that if Blue Mountain College will raise two hundred thousand dollars by the meeting of the State Convention in November, it will recommend that the convention add one hundred thousand and the College is earnestly requesting the friends of the College to come to the rescue at this critical time and make the hundred thousand from the convention a possibility.

The entrance required is the same as that of any A-1 college and the requirements for graduation are also the same.

An A. B. graduate receives a professional license to teach in all the public and high schools in Mississippi.

The College offers unusual advantages in Music, Voice Culture, Home Economics, Expression and Physical training. The college is located on one side of Blue Mountain the highest point in Mississippi is well watered with fine free stone water gushing from its springs. The campus is covered with native oaks and other forest trees and may be considered a veritable health resort. The religious advantages of Blue Mt. College are known to all.

It has more missionaries in the foreign field than any other college in the state and its students are known every where they go for the interest they take in religious matters. The fifty third annual session opens Sep. 16 1925.

MISSISSIPPI WOMAN'S COLLEGE

This college is located at Hattiesburg, Miss., and is also owned and con-

trolled by the Baptist of the State. The enrollment for the past five years has averaged right close to the five hundred mark.

The College has a fifty acre campus with the following buildings: The Administration Building, Four Dormitories, Rose Hall, Dockry Hall, Love Cottage, Dining Hall, Johnson Hall, Mary Hospital, College Book Store and the Science Building.

The campus and buildings are closed in by an iron fence that cost five thousand dollars and the whole property is estimated to be worth at least three hundred and fifty thousand dollars.

The religious influence of the college is A-1. It leads all other colleges in the South in S. S. and Bible work. The study of the Bible is required and has a full time teacher and is thought to be the oldest College in the State having a full time salaried teacher of religious work. The health of the school is excellent—not a single serious case of sickness during the last session.

The College is on the Secondary or Approved List of the Southern Association and is now making a drive for two hundred thousand dollars so as to secure another hundred thousand from the State Convention by the recommendation of the Baptist Education Board. This amount is necessary to make the College A-1. There being no primary department in the college all students are of college grade and are all given personal attention and all are considered as members of the college family.

The expenses are moderate, considering the many advantages the school offers. In Dockry Hall one hundred and twenty-five girls are doing their own house work and the expenses are less that at a state school.

OUR SEMINARIES

We have three schools where our young preachers and mission workers may go and get such training as they need for their life's work.

The Theological Seminary at Louisville, Ky. This is the oldest of the three and is presided over by Dr. E. Y. Mullins, one of our most efficient leaders and is backed up by a noble faculty of christian men and this school is doing a wonderful work, and will soon be in their new building.

The South Western Seminary at Ft. Worth, Texas, this school has as its leader Dr. L. R. Scarbrough, one of the most efficient evangelistic leaders of our denomination. He too, has a faculty of godly men to work with him and this school is accomplishing wonderfud things for the Lord.

The Baptist Bible Institute of New Orleans; This is the youngest of the three institutions and is presided oved by Dr. DeMent and a noble faculty of christian teachers and helpers and this school though young, has already accomplished great things for the Lord.

We recommend these schools to our young preachers and mission workers and pray the Lord to give us many more such schools.

J. A. LEE, Chairman.

Social Service. Upon motion the Association requested the clerk to obtain the report from Judge Rice and incorporate it in the minutes.

The subject of social service was discussed by J. A. Lee, R. A. Kimbrough, J. R. G. Hewlett, J. W. Henson, W. H. Hudson, E. H. Coley, Mrs. J. A. Lee, S. H. Shepherd and J. W. Helms.

REPORT ON SOCIAL SERVICE

Social service includes hospital work, orphanage work and ministerial relief work.

Hospitals—The Baptist Memorial Hospital is located in Memphis, Tenn., and is supported by Mississippi, Arkansas and Tennessee. It was opened for patients July 12, 1912. It has ministered to more than 85,000 patients. During the year 1924 it admitted 11,567 and the first six months of 1925, 5,537. During the first six months of 1925 free service rendered to patients amounted to $64,023.41. Of this amount $53,464.61 was in the charity wards and $3,039.30 to

ministers of the Gospel and their dependents, the rest in Doctors and nurses discounts. The total expense for the six months was $192,739.83. The Training school had a graduating class of 57 this year.

2 The Mississippi Baptist Hospital at Jackson, Miss. had its beginning about 15 years ago. The $50,000.00 nurses' home is just about to be completed upon which a debt of $27,000.00 remains for future payment.

The hospital has 43 bed rooms one matron's office, 1 living room 3 dons. and kitchenette and 1 chappel. The hospital is very much in need of all kinds of linen furnishings. It also needs furniture for the new building, etc.

2 The Baptist Orphanage at Jackson, Miss., has 172 children who are in need daily of all kinds of clothing food, etc. They have good school advantages and also good training on the farm, etc. Subscribe for the Orphanage Gem and keep posted about the home.

3. The Relief and Annuity Board. The Relief side is to aid preachers who are in need of help and depends upon donations through the regular channel of denominational work. The annuity side is to help preachers in the prime of life to help themselves in old age. It is on the basis of insurance. The preacher providing one fifth and the denomination four fifths. The preacher ceases to pay at 68 and draws $500.00 per year for the rest of his life.

GREEK L. RICE, Chairman.

Upon motion the Association adjourned, for dinner until 1:30 P. M.
